

Turkey

Turkey is a state in southeastern Europe and southwest Asia, whose culture combines ancient Greek, Persian, Roman, Byzantine and Ottoman traditions. Situated on the banks of the Bosphorus, cosmopolitan Istanbul is home to the famous Hagia Sophia with its soaring dome and Christian mosaics, the majestic 17th-century Blue Mosque and Topkapi Palace, the former residence of the Ottoman sultans, built in the 1460s. The capital of Turkey is the modern city of Ankara. — Google
